

In association with Ameriprise Financial, we are pleased to offer a Workplace Financial Planning program designed to help you make the most of your employee benefits.

Complex workplace benefits can make it difficult for employees to make informed decisions. Ameriprise Financial offers a unique, collaborative, and comprehensive approach to financial planning that can help. It will incorporate your total benefits package – your pay, retirement and health and welfare benefits – into your financial goals, from your child's college education to how you will reinvent yourself at retirement.

Workplace Financial Planning provides:

- Local advisors who are aware of your benefits package.
- Seminars and meetings about relevant financial topics such as the financial planning process, market volatility, college planning and retirement planning
- \$100 off the initial cost of an Ameriprise Financial Advisory Service for non-union employees, including personalized written analysis and recommendations

The list of Ameriprise financial advisors, by state, is below. These advisors can help you plan for retirement, develop investment strategies, save for education expenses, manage your taxes more efficiently and help protect what matters most to you.

For internal questions, call 1-800-321-7960.

For questions about Ameriprise, or if your state is not listed below, send email to Janet Lee at janet.2.lee@ampf.com.
