¹ If you purchase this certificate for an IRA, early withdrawals or cash payments of interest taken prematurely may be subject to IRS tax and penalty.

² If a withdrawal reduces your account value to a point where we pay a lower interest rate, you will earn the lower rate from the date of the withdrawal. You may not make a withdrawal from your certificate if that withdrawal causes your balance to fall below \$1,000 unless you are making bank authorization or payroll deduction payments or taking systematic payments from your certificate. If your principal falls below \$1,000, we may send you a notice of our intent to cancel the certificate. After the notice, if an investment is not made within 60 days, your certificate may be canceled, and we may send you a check for its full value.

Ameriprise Certificates are issued by Ameriprise Certificate Company and distributed by Ameriprise Financial Services, Inc. Member FINRA and SIPC.
